

STAR WARS: ON THE FRONT LINES

NOTES ON TACTICS, ARMOR, AND VALOR FROM GALACTIC CONFLICTS

Daniel Wallace

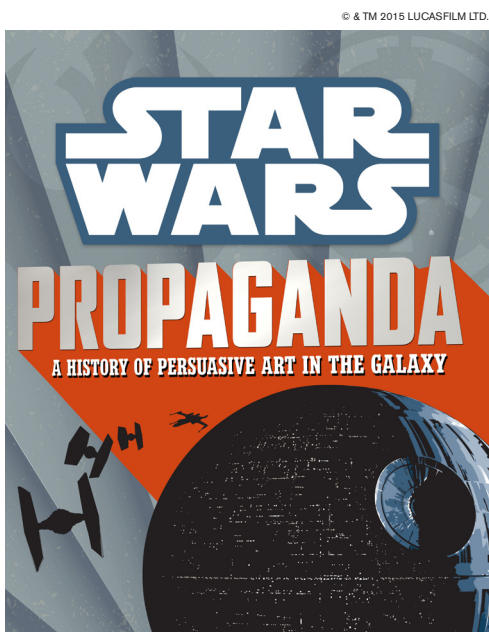

From the Clone Wars and the Rebellion to the clashes with the First Order, the galaxy is defined by war. *Star Wars: On the Front Lines* chronicles the tactics, weapons, and armor used in pivotal battles along with profiling acts of valor. By focusing on elements of the battles that occurred "off screen," this collection brings the struggles faced by ground soldiers and starfighter pilots to life like never before and places the reader on the battle lines.
